

LUIS IRIAS

FRONTEND ENGINEER

Remote · Honduras · hello@luisirias.com · luisirias.com · github.com/iamluisirias · linkedin.com/in/luisirias

SUMMARY

Frontend engineer with 5+ years building the layer where design meets engineering. I turn design systems into production React and TypeScript UI – accessible, fast, and built to outlast the next redesign.

EXPERIENCE

SENIOR FRONTEND ENGINEER — INGENIERÍA DIGITAL

2024 – PRESENT

REMOTE · INSURANCE, FINTECH & HEALTH

- Co-led the frontend re-platform – set the technical direction and the foundation the whole product suite now builds on.
- Built the design system with the design team – tokens, naming, and component primitives – with white-label theming that reskins a single library across brands; it powers 9 production apps across multiple brands and markets, and is the base for a further product.
- Defined an architecture that scales across markets – per-country apps sharing a common core via factory and strategy patterns – and the engineering conventions the team follows for component design, type-safety, and project structure.
- Hold the accessibility and performance bar in code review – WAI-ARIA, keyboard and screen-reader support, and Core Web Vitals.

VITE · NEXT.JS · TANSTACK · TYPESCRIPT · TAILWIND CSS · REACT HOOK FORM · VALIBOT

FRONTEND ENGINEER (CONSULTANT) — DIARIO LA TRIBUNA

2022 – 2024

REMOTE · NATIONAL NEWS MEDIA

- Shipped high-traffic editorial interfaces with Next.js and GraphQL over a WordPress backend.
- Cut mobile page-load times with AMP and Core Web Vitals optimizations.

NEXT.JS · GRAPHQL · WORDPRESS · AMP · TYPESCRIPT

FRONTEND ENGINEER — CTI

2021 – 2024

AGENCY · CLIENT SOFTWARE

- Built client web applications in Gatsby, TypeScript, and Tailwind CSS.
- Turned design files into responsive, accessible, component-driven interfaces.

GATSBY · TYPESCRIPT · TAILWIND CSS · REACT

SKILLS

INTERFACE ENGINEERING	React, TypeScript, Next.js, Vite, TanStack
DESIGN SYSTEMS	Tailwind CSS, shadcn/ui, Storybook, Component libraries
ACCESSIBILITY	WAI-ARIA, Keyboard & screen-reader, axe, VoiceOver
PERFORMANCE	Core Web Vitals, Lighthouse, Profiling, Lean bundles
ARCHITECTURE & LEADERSHIP	Technical direction, Code review, Mentoring, Standards

EDUCATION

SYSTEMS ENGINEERING

UNIVERSIDAD NACIONAL AUTÓNOMA DE HONDURAS

LANGUAGES

SPANISH	Native
ENGLISH	Professional working proficiency
